\* David Lee Roth isn't a presidential candidate, software engineer or me, is he?

\* Is the president a night life comic or a morning business person? I'm certainly capable of all three. -rachel

If you do accept money, you have to be willing to accept constructive criticism. If you don't accept money, you don't have to accept constructive criticism. But if they are not offering money, and did not ask to see your circus skills, why are you so intent on showing them?

I hope this logical loop leads to a conclusion that makes sense for you.

I just couldn't find a publisher for The Greatest Show on Earth. And I suck \*\*\*- at club bouncer. I only weigh 129 lbs.

My real desire is to have a man come into my life to take control of the situation. I'm a widowed zen housewife at my core despite all my training....
